Sir or Madam:

The Applicants note that the Examiner's Statement of Reasons for Allowance in the Notice of Allowance mailed May 11, 2007 specify that Claim 28 is allowed over the prior art of record in the application. Applicants respectfully assert that the allowed claims are novel and distinct over the cited prior art references for at least the reasons indicated in the Examiner's Statement of Reasons for Allowance. Moreover, the Applicants respectfully assert that there may be additional patentable features that may serve as additional independent bases for patentability.

Respectfully submitted,
